Green Aluminum Oxide  
Polyester Film Backing  
Velcro Abrasive  
**Velcro Jumbo**  
**APF1-V-JB**

Ideal for sanding various types of surfaces in automotive, paint, marine, wood and stainless steel sectors. Polyester film backing with semi-open coated Aluminum Oxide abrasive, also with anti-clogging Stearate coating which allows faster cutting, long lifetime and constant grinding. Ideal for sanding paint and primer in automotive industry. Suitable for dry and wet applications. Tear resistant.

Product Code : **APF1-V-JB**

Abrasive : **Aluminum Oxide**

Backing : **Polyester Film**

Coating : **Semi-Open & Stearate**

Version : **Standard**

Jumbo Width : **1380 mm**

Grit Range : **40, 60, 80, 100, 120, 150, 180, 220, 240, 280, 320, 400, 500, 600, 800, 1000, 1200, 1500, 2000**

Purple Ceramic  
Polyester Film Backing  
Velcro Abrasive  
**Velcro Jumbo**  
**CEPF1-V-JB**

Ideal for sanding various types of surfaces in metal industries. Polyester film backing with semi-open coated Ceramic abrasive, also with friction and heat resistant special Top Size coating. Ideal for sanding stainless steel and high alloy steel materials. Suitable for dry and wet applications. Tear resistant.

Product Code : **CEPF1-V-JB**

Abrasive : **Ceramic**

Backing : **Polyester Film**

Coating : **Semi-Open & Top Size**

Version : **Standard**

Jumbo Width : **1380 mm**

Grit Range : **40, 60, 80, 100, 120, 150, 180, 220, 240, 320, 400, 600**

Yellow Aluminum Oxide  
Paper Backing  
Velcro Abrasive  
**Velcro Jumbo**  
**AC1-V-JB**

Ideal for sanding undercoated, painted and varnished surfaces in wood, automotive, paint and marine sectors. C weight paper backing with open coated Aluminum Oxide abrasive, also with anti-clogging stearate coating which allows long lifetime and constant grinding.

Product Code : **AC1-V-JB**

Abrasive : **Aluminium Oxide**

Backing : **C Weight Paper**

Coating : **Open & Stearate**

Version : **Standard**

Jumbo Width : **1380 mm**

Grit Range : **60, 80, 100, 120, 150, 180, 220, 240, 280, 320, 400, 500, 600, 800**

Green Aluminum Oxide  
Polyester Film Backing  
Velcro Abrasive  
**Velcro Disc**  
**APF1-V-D**

Product Code : **APF1-V-D**

Abrasive : **Aluminum Oxide**

Backing : **Polyester Film**

Coating : **Semi-Open & Stearate**

Version : **Standard**

Dimension : **Upon Request**

Grit Range : **40, 60, 80, 100, 120, 150, 180, 220, 240, 280, 320, 400, 500, 600, 800, 1000, 1200, 1500, 2000**

Purple Ceramic  
Polyester Film Backing  
Velcro Abrasive  
**Velcro Disc**  
**CEPF1-V-D**

Product Code : **CEPF1-V-D**

Abrasive : **Ceramic**

Backing : **Polyester Film**

Coating : **Semi-Open & Top Size**

Version : **Standard**

Dimension : **Upon Request**

Grit Range : **40, 60, 80, 100, 120, 150, 180, 220, 240, 280, 320, 400, 600**

Yellow Aluminum Oxide  
Paper Backing  
Velcro Abrasive  
**Velcro Disc**  
**AC1-V-D**

Product Code : **AC1-V-D**

Abrasive : **Aluminium Oxide**

Backing : **C Weight Paper**

Coating : **Open & Stearate**

Version : **Standard**

Dimension : **Upon Request**

Grit Range : **60, 80, 100, 120, 150, 180, 220, 240, 280, 320, 400, 500, 600, 800**
